

## LOS ANGELES COUNTY REGIONAL PARK AND OPEN SPACE DISTRICT

September 7, 2004

The Honorable Board of Directors  
Los Angeles County  
Regional Park and Open Space District  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, California 90012

Dear Directors:

**APPROVE A REVISED PLAN OF EXPENDITURE AND  
AUTHORIZE THE DIRECTOR OF PARKS AND RECREATION TO GRANT  
PER PARCEL DISCRETIONARY FUNDS TO THE CITY OF LONG BEACH  
(FOURTH DISTRICT - 3 -VOTE MATTER)**

**IT IS RECOMMENDED THAT YOUR BOARD:**

1. Approve the revised plan of expenditure for the City of Long Beach (City) to add acquisition of property to the project description of the Hilltop Site Sports Complex Development Project allocated under Section (8), Subsection (b), Paragraph (2), Subparagraph (U), Item (ii) of the Safe Neighborhood Parks Proposition of 1992 (1992 Proposition).
2. Authorize the Interim Director of Parks and Recreation to grant \$102,570 of Fourth Supervisorial District Per Parcel Discretionary funds allocated to the City under Section (8), Subsection (b), Paragraph (1) of the 1992 Proposition, but never committed, for its Houghton Park Skate Park Project.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS**

Approval of the first recommended action would add acquisition to the description of the City's Hilltop Site Development Project. The City would then expend some of the 1992 Proposition Specified Project funds to pay for acquisition of approximately six acres of privately owned land at the Hilltop Site. Currently the funds are restricted to construction and development of an Adult Sports Complex at the Hilltop Site adjacent to the City of Signal Hill. The 1992 Proposition, Section (8), Subsection (b), Paragraph

(2), Subparagraph (U), Item (ii) allocated \$6,200,000 to the City for the development of El Dorado Regional Park. On June 3, 1997, your Board approved a revised plan of expenditure to change the location of the project to a new 40 acre location known as "Hilltop Site."

The City Council of the City of Long Beach approved a resolution at a noticed public meeting on October 14, 2003, (Attachment) requesting a revised plan of expenditure to add the acquisition of property at the Hilltop Site to the already approved Hilltop Site Sports Complex Development Project.

Approval of the second recommended action would allow the City to apply for \$102,570 in uncommitted Per Parcel Discretionary funds allocated to the City under Section (8), Subsection (b), Paragraph (1) of the 1992 Proposition for the construction of a 15,230 square foot skateboard and BMX park in Houghton Park.

### **Implementation of Strategic Plan Goals**

The proposed recommendations further the Board approved County Strategic Plan Goal 1 (Service Excellence), Goal 4 (Fiscal Responsibility) and Goal 5 (Children and Families' Well-being) by assisting the City to purchase additional property for the Hilltop Site Sports Complex and to construct a skateboard park in Houghton Park.

### **FISCAL IMPACT/FINANCING**

Sufficient funds for the projects, totaling \$6,302,570, are budgeted in the Los Angeles County Regional Park and Open Space District's Assessment Fund (HB4) under Other Charges to fund these projects:

- 1992 Proposition Section (8), Subsection (b), Paragraph (2), Subparagraph (U), Item (ii) in the amount of \$6,200,000 for the City's Hilltop Site Sports Complex Development Project; and
- 1992 Proposition, Section (8), Subsection (b), Paragraph (1) in the amount of \$102,570 for the City's Houghton Park Skate Park Project.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

#### **Specified Projects Funds**

The recommended action involves funds allocated under the Specified Projects Grant Program funded by the 1992 Proposition. The 1992 Proposition provided funding for projects that were specified in the measure and identified a procedure for revision of

those projects prior to July 1, 1998. That procedure remains the method by which specified project funds may be approved by your Board for other uses. An agency may submit a revised plan of expenditure to use the funds for a project that is consistent with the purposes of the 1992 Proposition after the grantee's governing body considers and approves the revision of its project at a public meeting. The City has complied with the required procedures and requests approval of its revised plan of expenditure to add acquisition of property at the Hilltop Site to the project description of the Hilltop Site Sports Complex Development Project.

#### **Per Parcel Discretionary Funds**

Per Parcel Discretionary funds identified in Section (8), Subsection (b), Paragraph (1) of the 1992 Proposition are subject to reallocation by your Board under the provisions of Section (9), Subsection (e) of the 1992 Proposition. Agencies eligible for these funds were required to encumber their funds by June 30, 1996. Beginning with Fiscal Year 1996-97, any Per Parcel funds not committed to expenditure are available for award by your Board for one or more of the classes of expenditures specified in Section (8) of the 1992 Proposition for projects that your Board deems to be of the highest priority.

If your Board does not approve the City's request, the City may either expend the funds for the uses currently specified, request your Board's approval to fund different new projects with the funds, or relinquish its claim to the funds.

County Counsel has reviewed and approved these actions as to form.

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

These actions will have no impact on any other projects funded through the District but are required so that the City may add acquisition of property to the description of its Hilltop Site Sports Complex Development Project and construction of a skate park at Houghton Park.

#### **ENVIRONMENTAL DOCUMENTATION**

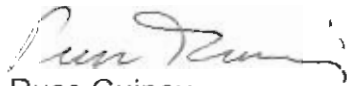

These actions are exempt from the California Environmental Quality Act (CEQA) according to Section 15061 (b) (3) of the State CEQA Guidelines because it can be seen with certainty that these actions will have no impact on the environment. Any projects funded through the District are required to undergo the applicable CEQA review by their grantee agencies.
